

Lesbian, bisexual, queer and/or trans* mother

- You are at least 18 years of age?
- You identify as a woman (cisgendered or trans*)?
- You are a parent of at least one child?
- You had your child/children within a relationship with another woman?
- You did not give birth to your child/children?

We would love to meet you as part of our research on the experiences of lesbian queer and/or trans* mothers that did not give birth to their child/children. This research is a comparative study between Switzerland, France and Canada. **The interviews in Switzerland will be held between January 21 and February 1st 2019, and between March 4th and March 15th 2019.**

If you wish to participate on a voluntary basis, please contact Marianne Chbat, PhD and postdoctoral researcher at Université du Québec en Outaouais (UQO). A detailed explanation of your participation will be given. Your participation will remain confidential and anonymous.

Please send a email to marianne.chbat@uqo.ca for more information.

Looking forward to meeting you!
